History of The Giving Tree Project

The Giving Tree Service Project was first started in 2002 by the *Catholic Campus Center at Washburn University*. This project was put in place to help benefit the children of Topeka who are in need during the holiday season. The children range in ages from newborn to 12 years old .

This project offers Washburn students, faculty, and staff the opportunity to come to the assistance of area children and their families during the holiday season. This year we have chosen the theme, 'All I Want for Christmas Is A Giving Tree'.

On November 2, 2018 the Giving Trees will go up in the following locations: Alpha Phi, Catholic Campus Center at WU (17th and Jewell), International House, Leadership Institute, Nursing Department, Radiology Department, Residential Living, SRWC, WSGA, and Zeta Tau Alpha.

We ask participants to pick a tag for either a boy or girl, or if they wish two or more, then return the unwrapped gift(s) with the angel tag attached to the gift to one of the eleven locations before noon on **Friday, December 7th**.

The organizations we are contributing to have requested that we do not wrap the gifts. The gifts received will be delivered to *Let's Help*, *Door Step*, and *The Topeka Rescue Mission* on December 7th. Thank you for opening your hearts to the area children of Topeka, Kansas during this most blessed season.

Any questions can be directed to Mayela Campa or Patti Lyon at 785-233-2204 or email wucatholic@hotmail.com and type **Giving Tree** on the subject line.

DONATION CHALLENGE

Patti wants to challenge students to give 10 percent of what they spend on Christmas gifts, to The Giving Tree Project and/or to The Heifer International Project. The Heifer Project is a non-profit organization whose goal is to end poverty and hunger around the world. This challenge will not only be used to support families locally, but internationally as well.
